Message from Governor Ken

Hello Fellow Optimists!!

Welcome to the 2011/2012 Optimist year. Joan and I are very excited to be your Governor and First Lady and to represent the Midwestern Ontario District. We look forward to making many more friends and increasing the size of our "Optimist family."

This year's theme, "**Encourage Youth – Secure Our Future**" demonstrates the importance of our continued interaction with our local youth and communities. If our members continue to promote and conduct our International and District Youth programs we will encourage these young people to excel and to become our future leaders.

Growth and communication are two important ingredients to maintain a healthy Organization and a strong District. Our district new club building and membership teams have been already working hard and are available for your service. Our District Team and I will do our best to keep you well informed and to respond to any enquiries you may have.

The 1st Quarter Board is scheduled on November 4th & 5th in Grand Bend. I encourage you to attend for some fun and fellowship and to take advantage of the informative training sessions. Come out and meet our Vice President Dwight Phillips and his wife, Marlene.

Joan and I have attended many of your club functions and fundraisers. Keep the invitations coming and we will do our best to pay you a visit. It is very rewarding to see and experience all the wonderful things you do for your kids and your communities.

It makes me very proud to be an Optimist!!

Hope to see you in Grand Bend.

Sincerely,

Ken Hayward
Governor 2011/2012

Childhood Cancer Campaign

Hello fellow Optimists. I am delighted to serve as your CCC chairperson for Governor Ken's Optimist year. I want to help you and your club in any way that I can during this next year. Please contact me at jackie.kinder@rogers.com or at 519 680 7182 and let me know how I can help you with your club's Cancer Campaign fundraising.

Presidents: Have you selected your club's CCC rep for this year? There is a form in your new directory to fill out and send or email to me. In this way, I can communicate any updates, new resources, etc. directly with your club's CCC rep. Keep in mind the Matching Grants Program for childhood cancer-related projects when planning your fundraising for the year.

CCC Reps: Did you know that there is a lot of useful information on the OI website? Simply select "Members", then "Clubs and Districts", followed by "Programs and Activities" to see the resources for the CCC. You will also see there the forms for applications for Matching Grants, which you might wish to use if your club decides to provide financial support to a family that is dealing with childhood cancer or to provide funds directly to an organization that supports children with cancer, such as Child Can or the Computers for Kids program.

Milwaukee here we come!!!

Mark your calendars - July 12 to 14 2012 and get set for the 94th Optimist International annual convention.

There will be workshops, as well as business sessions, so come and help shape the future of our organization.

Be sure to ask me for a registration form and for a Milwaukee visitors guide. If you register before May 1 2012 you can take advantage of the Early Bird Savings!

I hope that you can stay a couple extra days, as there is so much to see and do in Milwaukee.

Contact me for more information [optimistcatherine@gmail.com] OR contact the International convention committee at [convention@optimist.org]

Immediate Past Governor

A District "Encourage Youth— Secure Our Future" Award will be presented to each of the first ten members who sponsor a member between October 1, 2011 and September 30, 2012, and the Club Roster Adjustment(s) are received by Optimist International on or before September 30, 2012.

Let's Get Growing!

We are mid-way through our first month of the 2011-2012 Encourage Youth - Secure Our Future Optimist year. It is an exciting time as the new executives set the goals to be achieved within their clubs before September 30, 2012.

Governor Ken has set his goals for Midwestern Ontario District for the upcoming year and the top priority is "GROWTH". This is to be accomplished through increasing membership in existing clubs as well as building five new clubs in our great District. The New Club Building Team has already met to discuss what areas would benefit from the building of a new club. We can't do this without the help of the clubs and members.

If your club has set being a "Distinguished Club" as one of its goals, contact any member of the New Club Building Team to find out how we can help you make this a reality.

News from Local Clubs

Optimist Club of Listowel Optimist Club President Bert Hoffele presented Eastdale Public School with a cheque for \$5000 to get the school's Help Our Eagles Soar Campaign to off to a good start. The school has a fundraising goal of \$85,000. School Principal, Kathy Boyd, says this the playground is really a community playground.

Inspiring Words from Mitchell Optimist Club President Leanne Davidson "My goal for the club this year is pretty simple: "Try new things." Whether this means a new project you would like to try, or simply volunteering to help on a different committee that what you usually do, I want everyone to feel involved in the wonderful work we do in our community. I hope to see lots of enthusiasm for our many community events. "

The East London Optimist Club issued an invitation to their members to attend The Children's Hospital Celebration for Optimist Clubs of Midwestern and Southwestern Ontario District on Oct. 14. Members who attended were able to see what a million dollars raised by London and area Optimist Clubs went to.

The Optimist Club of Stratford is now in its 75th year of servicing the youth of Stratford.

The Optimist Creed

Promise Yourself –

To be so strong that nothing can disturb your peace of mind.

To talk health, happiness and prosperity to every person you meet.

To let all your friends know that there is something in them.

To look at the sunny side of everything and let your optimism come true.

To think only of the best, to work only for the best and to expect only the best.

To be just as enthusiastic about the success of others as you are about your own.

To forget the mistakes of the past and to press on to the greater achievements of the future.

To wear a cheerful countenance at all times and give every living creature you meet a smile.

To give so much time to the improvement of yourself that you have no time to criticize others.

To be too large for worry, too noble for anger, too strong for fear, and too happy to permit the presence of trouble.

Optimist International

District Goals 2011 –2012
